

VOTING RIGHTS

Margaret Brown was a **SUFFRAGIST** (suh-fruh-just), someone who fought for the right for women to vote. The 19th Amendment grants women the right to vote in elections. Voting gives people a voice in their community about the issues that matter to them.

Margaret also fought for **WORKER'S RIGHTS** and **JUSTICE FOR CHILDREN**.

Make It Yours:

Margaret Brown fought for causes that helped people.

What causes do you feel strongly about?

Make a poster below!

A large, empty rectangular box with a purple border, intended for students to create a poster about causes they care about.
