A story time and activity

Premiering the last Saturday of the month

Rather than honoring Clara and the Shirtwaist Makers' Strike of 1909, why don't we join them? Make your very own strike sign and ribbon that you can carry and wear as you march for workers' rights.

Materials:

- A large piece of paper or posterboard, in any color
- A long stick or ruler
- Markers
- Tape (masking tape works best)
- Ribbon stencil (pg. 2)
- Scissors

Instructions:

1. Take your paper or posterboard and write your message. Use as many colors as you like – make your sign your own! Examples are on page 3.
2. Take your board and tape it to the front of your stick or ruler.
3. Decorate your ribbon (pg. 2).
4. Cut out your ribbon.
5. Tape the ribbon to your shirt and wear it proudly.
6. Now you're ready to march!
