## COLORADO HISTORY PROGRAMS!

### **Denver Grows!** (3rd-5th grade)

How did Denver become Denver? What challenges did the early inhabitants encounter as they grew their neighborhoods to make Denver what it is today? Students will make decisions to grow their neighborhood of Denver in this newly revamped game!

*Available in-person or virtually.*

### **Lego City** (3rd-6th grade)

Build your own cities both past and present while becoming a historic preservationist. Learn about saving historic structures, the evolution of a city, and the importance of historic preservation in our most popular program! *Available in-person only.*

### **Women in Colorado** (3rd-6th grade)

The first African-American female doctor in Colorado. A peacekeeper and Ute Queen. The first female State Senator in Colorado. Who are these pioneers and trailblazers who pushed boundaries and helped grow and establish Colorado? Join us to explore amazing Colorado women.

*Available in-person or as an Independent Learning Module.*

### **Exploration and Survival** (4th-6th grade)

Examine history from the point of view of the people who explored and survived in the early years of our state. Using primary and secondary sources, students will explore the lives of miners, indigenous peoples, fur trappers, and pioneers to gain a greater understanding of what life was like in early Colorado.

*Available in-person or as a Independent Learning Module*

### **Quest for Gold!** (3rd-5th grade)

In this interactive hands-on program, students will study real mining artifacts to investigate what life was like as a miner and how exactly mining works.

*Available in-person only.*

## INDEPENDENT LEARNING MODULES

Have you tried one of Independent Learning Modules? These teacher- or student-led modules are asynchronous website-based programs. \$2/student. Include access for one week (M-F)

**Exploration and Survival**  
**Molly the Activist**  
**Women in Colorado**

## CIVICS PROGRAMS

### **Soldiers in Petticoats** (3rd-6th grade)

In 2023, Colorado marks the 130th anniversary of the passage of suffrage, the first state to do so. In this program, learn about the Suffrage movement in Colorado and the United States, and analyze primary sources to draw conclusions about how the public felt about women's suffrage.

*Available in-person or virtually.*

### **Molly the Activist** (3rd-6th grade)

Margaret "Molly" Brown was involved in everything from politics and reform efforts to women's suffrage. Learn about several of the causes she was involved in to help all Coloradans and how to engage in your community today.

*Available in-person or virtually.*

## TITANIC PROGRAMS

### **Different Worlds of the Titanic** (3rd-5th grade)

Who were the people aboard the Titanic? What can the objects and documents they left behind tell us about their worlds? In this interactive program, students will become someone who sailed on the Titanic and will compare and contrast their experiences on and off the ship with the lives of other passengers and crew.

*Available in-person only.*

### **Science of the Titanic** (3rd-6th grade)

How did a ship that was built to be "unsinkable" sink? In this program, students will learn about the scientific processes behind the building and sailing of the *Titanic*, how the *Titanic* was discovered 12,460 feet down, and will discuss what should be done with the wreck of the *Titanic* today.

*Available in-person or virtually.*

### **Titanic Shuffleboard** (2nd-5th grade)

Now even more fun! Travel along with the Titanic, from inception to iceberg. Learn the history of the ship and that fateful night through a fun and interactive game played aboard Titanic--shuffleboard!

*Available in-person only.*

*All of our tours and programs are aligned with Colorado State Standards.*
